

Free Youth Shotgun Clinic

*Presented by the Sacramento Valley Shooting Center,
owned and operated by the Folsom Shooting Club, Inc.*

June 19 through 23, 2017

- An opportunity for 20 boys and girls, ages 12 through 18 to learn shotgun shooting sports. Program intended for beginners.
- Shotguns, range fees and ammunition will be provided at no cost. Participants must have eye and ear protection.
- The program includes the two-day NRA Basic Shotgun Course. Participants must successfully complete the NRA course in order to participate in the three day shooting clinic that follows. See the Instructions and Information sheet with the Application form for specifics.
- Parents or guardians must remain present during clinic shooting activities. See the Instructions and Information sheet with the Application form for specifics.
- The application will be available on or about May 6, 2017, at the club website (<http://www.sacvalley.org>), Main Range Office, and Shotgun Range Office. However, the Shotgun Range Office is only open on Saturdays and Sundays. Applications must be received or delivered to the Main Range Office (address below) no later than June 11, 2017. Program is limited to 20 students.
- Need not be a SVSC member or affiliated with a member.
- Instruction and supervision provided by NRA Certified Shotgun Instructors, and members of the Folsom Shotgun League.
- All activities will be performed at the Sacramento Valley Shooting Center.
